

As an Advanced Training Practice (ATP) 'Hub' in Humber Coast & Vale we are able to provide training support for local practices. We coordinate local schemes on behalf of Health Education England. This includes aiding practices to develop mentors, offer student placements to nurse undergraduates, employ and train newly qualified nurses, HCA apprentices, Advanced Clinical Practitioners and Physician Associates.

## ➤ Advanced Training Practice Scheme (ATP Scheme)

- ✓ Offers support for practices and nurse mentors to take undergraduate student nurses on placement
- ✓ The aim is to increase access to general practice placements for student nurses, to promote practice nursing as a career and help secure the primary care workforce of the future
- ✓ Great recruitment tool and professional development opportunity for staff
- ✓ Practices receive a support tariff per student per week (pro-rata if less than full time)
- ✓ Currently backfill funding available for nurses undertaking the mentorship course

## ➤ HCA Ready Scheme (HCA Apprenticeship Scheme)

- ✓ Offers support for practices to employ and train an Apprentice HCA, including a programme of study days and a Level 3 diploma in Healthcare Support over 18 months.
- ✓ Participating practices receive a bursary to help with release of time for training and support
- ✓ Coordinated on a cohort basis usually starting around September – applications have been accepted from participating practices for 2018-19, who are now recruiting to posts

## ➤ GPN Ready Scheme

- ✓ Offers support for practices to employ and train a newly-qualified nurse or a return-to-practice nurse
- ✓ Participating practices can access a bursary to support in recruitment and employment and funding to help with education and training course fees over a two year preceptorship period
- ✓ Coordinated on a cohort basis usually starting around September – applications have been accepted from participating practices for 2018-19, who are now recruiting to posts

## ➤ ACP Ready Scheme

- ✓ Offers support for practices to employ and train an Advanced Clinical Practitioner over their first two years whilst working towards completing the MSc in Advanced Clinical Practice
- ✓ Participating practices can access a training grant for a two year period plus funded course fees for a recognised MSc in Advanced Clinical Practice
- ✓ Suitable for registered nurses developing into an Advanced Nurse Practitioner role, or Allied Health Professionals such as Paramedics, Physiotherapists and Pharmacists developing new roles in primary care
- ✓ Participants have access to support workshops and a peer support network
- ✓ Available to practices within Humber, Coast and Vale STP

## ➤ PA Ready Scheme

- ✓ Offers support for practices to employ and develop a new Physician Associate in General Practice
- ✓ Participating practices can access a support grant over a two year preceptorship period
- ✓ Participants have access to support workshops and a peer support network
- ✓ Available to practices within Humber, Coast and Vale STP - Expressions of interest have been accepted from participating practices for 2018-19, who are now recruiting to posts
